

Co-Locating for 2012

Electrical Manufacturing & Coil Winding Expo 2012

MAY 9 - 10, 2012 • MILWAUKEE, WISCONSIN

If you design, manufacture, use, sell, or provide production equipment or materials used in electric devices the Electrical Manufacturing & Coil Winding Expo 2012 is where you will find the answers.

Solutions in:

- Coil manufacturing and winding
- Motor design and manufacturing
- Insulation materials
- Product quality and test equipment
- Automation for coil production
- Armature and stator manufacturing
- Magnetic components - laminations - ferrites
