> FAST FACTS

1. Do your own setup and tear-down if you wish (except for heavy equipment).
2. Costs for both booth space and service (electrical services, decorating and especially freight) are extremely reasonable — in some cases half the cost of Chicago shows.
3. This is the one and only Machine Tool Event in Wisconsin.
4. Over 6,500 high-level decision makers visited the 2007 Tool Show, you'll be able to meet with more key buyers in 3 days than you could in a month of "cold calling".
