EXHIBITOR INFO

For over 18 years, the Tool Show has connected buyers in the Midwest marketplace with sellers of advanced manufacturing equipment and metalworking technologies. Beginning in 1989 with the first Wisconsin Manufacturing and Machine Tool Expo, manufacturing professionals from the leading industries—including automotive, recreational products, farming, industrial and heavy equipment—have attended, ready to purchase the latest technologies in equipment and services.

Take a look and see who has previously taken part in the last Show.

For details call **800-367-5520**
or email: cheryl@epishows.com

The Show has always maintained the highest reputation as a worthwhile and successful tradeshow. This is the *ONE & ONLY* machine tool event in Wisconsin! Compared to the big tradeshows held in other major cities, the Wisconsin Manufacturing & Technology Show maintains the ambiance of a down-to-earth tradeshow, where the industry comes to meet. Without "big city expenses" such as high hotel costs, toll road fees, parking rates, forced union labor charges, and increased dollars for entertainment, you will find Milwaukee's Wisconsin Exposition Center a user-friendly facility. With these guaranteed savings, **you can't afford NOT to be here.**
