Special thanks to our sponsors:

Energy Efficiency in Manufacturing Pavilion

This area will feature displays to learn more about Green & Lean, Wind Industry Supply Chain and How to Reduce Energy Costs.

Focus on Energy works with eligible Wisconsin businesses to install cost effective energy efficiency and renewable energy projects.

Innovative Theater

See concise presentations from leading suppliers on the latest developments important to your industry. WMTS exhibitors will share their expertise with short sessions that will inform and address the challenges you face daily.

Highlights include the Sustainability Panel Discussion on Wednesday, Oct. 5 at noon, sponsored by Wisconsin's Focus on Energy. The panel includes representatives from Coating Excellence, Orion Energy, Briess Industries, Frito Lay and BL3 Strategies.

Manufacturer of the Year Awards

Wisconsin Manufacturers and Commerce welcome some of the recent MOTY award winners as exhibitors at this year's show. In a specially designated area for these recipients, speak with those directly responsible for being recognized for their excellence in manufacturing.

Wisconsin Precision Metalforming Association Pavilion

Interact with industry professionals who help represent the \$113 billion metalforming industry in North America. Talk to technical experts who create precision metal products using stamping, fabricating, spinning, slide forming and roll forming technologies.

Wisconsin Safety Council Meetings

WMC and the Wisconsin Safety Council will present safety training courses, along with state of the art manufacturing related exhibits on the show floor. Courses are available all three days of the show. Visit www.wmc.org to register.
